

## Inspection Report

Permit Holder: Canadian Natural Resources Limited  
Inspection: 2026-1997  
Inspection Date: 2026-06-11  
Inspection Outcome: Inspected

### Inspection Comment:

This lease contains one cased well that has never produced. The well has a grate over the cellar which addresses any safety concerns. No equipment or garbage on site.

A satisfactory inspection was conducted.

The following were the only items that were inspected during this inspection and does not absolve the company of Non-Compliances which may not have been observed, nor any Non-Compliances which occur subsequent to this inspection.
