

Inspection Report

Permit Holder: PETRONAS Energy Canada Ltd.
Inspection: 2026-2000
Inspection Date: 2026-06-11
Inspection Outcome: Inspected

Inspection Comment:

Observations;

The chemical tank is not in use. The meter runs were last done within the year and are compliant. A couple of the wells were not flowing on the day of inspection but are still active.

A satisfactory Inspection was conducted.

The following were the only items that were inspected during this Inspection and does not absolve the company of Non-Compliances which may not have been observed, nor any Non-Compliances which occur subsequent to this Inspection.
