

Inspection Report

Permit Holder: Pacific Canbriam Energy Limited

Inspection: 2026-2909

Inspection Date: 2026-08-12

Inspection Outcome: Inspected

Inspection Comment:

There is only a wellhead at this location and no equipment. The well has never flowed. It is properly suspended with valves being chained and locked, needle valves bull plugged, no surface casing vent leak.

A satisfactory Inspection was conducted.

The following were the only items that were inspected during this Inspection and does not absolve the company of Non-Compliances which may not have been observed, nor any Non-Compliances which occur subsequent to this Inspection.
