

Inspection Report

Permit Holder: Aitken Creek Gas Storage Ltd.
Inspection: 2026-3068
Inspection Date: 2026-08-21
Inspection Outcome: Non-Compliance(s) Found

Inspection Comment:

Risk & Data Informed inspection of surface equipment on site.

Performed inspection of location at 1419HRS.

Access road- No concerns at the time of inspection.

Lease environment- Limited vegetation on lease. No erosion sediment or water runoff concerns.

Lease Equipment: Well appears active. Observation well. Barricades in place. Signage in place at well (missing flammable decal). Positive isolation maintained (flow lines removed). Surface casing vent had glove attached to vent & unknown fluid poured out when glove was removed. Surface casing flow test- No Flow detected from glove test. Officer unsure if surface casing vent was open or closed. Operator went to site and confirmed valve handle was in the open position.

An Inspection was conducted and as a result Non-Compliance(s) were found and must be corrected. For specifics on the Non-Compliances, refer to the **Non-Compliance Notice**.

To respond to these Non-Compliances, access the CM-IS Permit Holder Application.

Consideration should be given to checking your other locations for similar Non-Compliances.

The following were the only items that were inspected during this Inspection and does not absolve the company of Non-Compliances which may not have been observed, nor any Non-Compliances which occur subsequent to this Inspection.
