

Inspection Report

Permit Holder: Canadian Natural Resources Limited

Inspection: 2026-3477

Inspection Date: 2026-10-02

Inspection Outcome: Inspected

Inspection Comment:

This is a single well pad that is suspended. The well head valves are chained and locked, there is a blind in the flowline and the pipeline has been abandoned-cut and capped.

A satisfactory Inspection was conducted.

The following were the only items that were inspected during this Inspection and does not absolve the company of Non-Compliances which may not have been observed, nor any Non-Compliances which occur subsequent to this Inspection.
